Changing spaces in Gloucester

St. Modwen Park Gloucester is developed and managed by St. Modwen.

This 58 acre (23.5ha) site is set in a prime distribution and industrial location adjacent to junction 12 of the M5 motorway. Strategically located for easy access to existing Gloucester facilities and with the M5 providing regional and national road connections.

Planning consent is secured for c. 930,000 sq ft of new high quality accommodation. 480,000 sq ft has already been built on-site, therefore the maximum sq ft that can now be accommodated in a single build to suit unit is 200,000 sq ft.

Why choose Gloucester?

The Swan standard

St. Modwen Parks embody our core purpose – to change places and create better futures.

The Swan Standard delivers improved quality, sustainable and consistent developments across the St. Modwen Logistics portfolio that impact positively on both the environment and local communities.

Through thoughtful and considered design, we have crafted a philosophy that we believe will have positive and tangible benefits for our customers.

High quality office and warehouse specification, designed with the customer in mind, focusing on health and wellbeing, sustainability and net carbon reduction.

- 75% enhancement on building regulations for air leakage
- 30% better than current requirements for embedded carbon
- Delivered by industry leading supply chain
- Sustainable environments addressing wellbeing
- Designed for flexibility and low operational cost
- Quality materials throughout
- Operational life cycle recycling
- Flexible office space for future fitout
- Low energy use
- Net carbon zero embedded

Our responsible

business ambitions

Helping customers achieve their strategic objectives is at the heart of our business and we understand how vital environmental, social and corporate responsibility is to our customers.

In practice, through our Swan Standard, this means we're committed to meeting or exceeding our own responsible business ambitions and aligning sustainability goals to one core purpose of changing places and creating better futures.

THE SWAN STANDARD IS A CRUCIAL COMPONENT IN HELPING US TO ACHIEVE OUR RESPONSIBLE BUSINESS AMBITIONS:

About St. Modwen Logistics

St. Modwen Logistics designs, develops and manages high-quality urban and big-box warehouse space

Concentrated around major transportation networks, key logistics corridors and conurbations our parks serve the needs of customers to expand their businesses, employ local people and support economic growth. Our customers include global logistics and e-commerce organisations as well as significant national and regional enterprises of all sizes.

St. Modwen is committed to ESG, our Responsible Business approach includes a set of ambitious goals where we can make a sustained difference to society, our stakeholders and the environment. Our Parks showcase the St. Modwen Swan Standard – a set of industry-leading sustainable development guidelines with a focus on responsible building practices, meeting our customers operational needs and the wellbeing of their employees.

Our team of dedicated experts ensure planning is approved to bring forward sites for both speculative and build-tosuit development; deliver quality buildings through diligent project delivery teams; and ensure customer needs are met by welcoming them and responding to their needs throughout the duration of occupancy at St. Modwen Parks.
